Introduction to College

Maharishi DayanandSaraswati, a revered spiritual leader and social reformer of the 19th century, dedicated his life to reviving Vedic ideals and fostering nationalism. Recognizing education as the cornerstone of progress, he inspired his followers to establish institutions that would carry forward his vision. In 1885, the DAV College Trust and Management Society laid the foundation of the first DAV School in Lahore. Under the exceptional leadership of Mahatma Hans Raj, this institution flourished and evolved into DAV College, Lahore.

Today, the DAV College Managing Committee, headquartered in New Delhi, stands as the second largest educational organization in India after the government, with more than 900 schools and 75 colleges across the nation. With a proud legacy of over 140 years, the Committee has consistently upheld its mission of imparting quality education rooted in values. Guided by the visionary zeal of its founding fathers, it has made remarkable contributions to India's educational landscape. At the helm of this movement is Padma Shri Arya Rattan Dr. PunamSuri, whose dedication has propelled DAV institutions to new heights. Supporting this mission are Shri Ajay Suri, General Secretary, and Shri Shiv Raman Gaur, IAS (Retd.), Director of Higher Education, whose leadership ensures purposeful functioning and excellence.

DAV Centenary College, Kotkhai, established in 1985, is a vital link in this illustrious chain of institutions. Founded during the centenary year of DAV at the request of the Government of Himachal Pradesh, the college was created to serve the educational needs of rural communities, particularly the apple belt region, which had limited access to higher education. Since its inception, the college has been committed to providing quality, value-based education and fostering social upliftment.

Nestled in a serene environment away from the distractions of city life, the college offers modern facilities that create an atmosphere conducive to learning and personal growth. Students here benefit not only from academic excellence but also from opportunities in sports, cultural, and co-curricular activities, ensuring holistic development.

DAV Centenary College, Kotkhai, stands as a testament to the enduring legacy of Maharishi DayanandSaraswati and the progressive vision of the DAV institutions. By empowering students from rural areas with education rooted in values, the college continues to contribute meaningfully to the intellectual and social advancement of the nation.
