FROM PRINCIPAL'S DESK ...

Welcome to the DAV Centenary College, Kotkhai, a strong link in the vast chain of DAV Institutions the second largest educational provider of the country after the govt. having glorious history of imparting quality education during past 137 years.

It is well said that education is an ornament in prosperity and refuge in adversity, which helps in transformation. The goal of education is not to create a scholar but to create a virtuous man. The real voyage of discovery consists not in seeking new landscapes but in having new eyes.

Higher Education Institutions play an important role in the development of individuals, family and society, and thereby lay foundation of a strong nation by helping individual acquire knowledge of all fields, inculcate sense of responsibility and channelize their inner potential.

The goal of higher education is to nurture human beings responsible for their betterment and capable of sustaining society and nature, besides enabling them to procure position to earn their livelihood. The incoming students are often influenced by their parents and society to join higher study without understanding their own interests and talents.

Transition from school to college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and most of them have little knowledge of a college. An important task therefore, is to welcome new students to Higher Education and prepare them for their new role.

Dr. Raj Kumar Jishtu

Principal (Offg.)

History of DAV Management

Maharshi Dayanand Saraswati, one of the greatest spiritual luminaries and social reformers of the world, espoused in 19th Century to return to society persons imbue with the highest Vedic ideas and Nationalism. He considered education to be the only means to achieve this goal. It was for this reason only that after the demise of this great path maker a group of his followers decided in 1885 to start an educational institution in his memory. After the establishment of DAV College Trust and Management Society, DAV School, at Lahore, the first institution came into existence which soon grew into DAV College, Lahore under the sublime leadership of Mahatma Hans Raj.

DAV College Managing Committee, New Delhi is the second largest educational provider of the country after the government having glorious history of imparting equality education during the past 137 years. Guided by the missionary zeal and visionary approach of its founding father. Today the chain of DAV Institutions is in the hand of Padamshri, Arya Rattan Dr. Punamsuri, who with his abilities and zeal is continuously perusing DAV Institutions to new heights. Sh. Ajay Suri, General Secretary has taken upon himself the task to make DAV institutions, an epitome for others to follow in the field of education. Sh. Shiv Raman Gaur, IAS(R) in the capacity of Director of Higher Education, with his administrative acumen, has been discharging his duties in a very diligent manner. His valuable guidance from time to time helps us to run this college effectively and with a more purpose.

DAV Centenary College, Kotkhai is a strong link in the chain of DAV institutions that have come to serve the cause of education and social upliftment in our country. The College was established in 1985 with its noble objectives of providing quality education in this rural area that could cater to the students coming from far flung areas of this apple belt on the request of Himachal Pradesh government as a mark of the 100th year of the DAV moment. DAV while expending its wing during centenary year espoused the cause of education in this part of Himachal Pradesh by serving the youth on its way.

The main objective of this college is to provide value -based education. We shall provide you a campus far away from dim and noise of cities but with all modern facilities for studies.
